**Intermediate riders picnic at the Falmouth Town Landing**

171 Participants 48 Girls 123 Boys

What an April! Spring moved in like a freight train of good weather and sunshine; and, participants flooded to the Shop like another freight train. 171 is a record for April. The road bikes were rolled back out encouraging riders to set another record -- 947 miles for the spring month. While some spikes on the graph at left rise well-above the average, fifteen-year-olds remain firmly established as leaders of the cycling trend. Our Older Riders took a spin down to Old Orchard Beach on the 27<sup>th</sup>. I look forward to the day they drop me -- whether I like it or not!
