Inside or outside? January weather kept us wondering!

January 2012

19 Participants 3 Girls 16 Boys

January -- In and around all the snow and rain The Bike Shop managed to ride every Saturday! We did finally make use of our short reserve route, a two mile hop and skip that got us to shelter and warmth for a few games of chess. But that sort of weather makes everyone feel like a hero just for getting out of doors. We've got one hoop up (and are still looking for a second.) It saw a lot of use by a core group of kids whose energy and daily visits made up for the seasonal low-Shop turnout. A second hoop will give us a court to play on with or without the sun.

TBS is currently looking for :
a Basketball hoop & a 2nd Green Machine
