## May 2010

**Immediate satisfaction as repairs are made at TBS!**

### 37 Participants 11 Girls 26 Boys

Unquestionably, The Bike Shop is open in Bellingham! Our first full month has seen steady growth in participation despite the soggy weather. The demographic bell-curve displayed at left is about what was expected with the pleasant surprise of a somewhat stronger teen turn-out. These same teens, who have been coming to the Shop daily, have expressed strong interest in the weekend rides that will get underway as the school year wraps-up. With only two weeks of school to go, we brace for a suspected invasion of bike hungry children and youth. This is The Bike Shop.

## 2nd Semi-Annual Bike Swap!

By popular demand, The Bike Shop will be holding a second bike swap for this summer: August 21<sup>st</sup> at the B-ham Sportsplex. Our website will have more detail and information: [www.thebikeshop1.org](http://www.thebikeshop1.org).
