Ray pulls "tough duty" guiding a ride to Mallard's on a 90° Saturday!

August 2010

52 Participants 7 Girls 45 Boys

August didn't let us down at the Shop. Plenty of great riding weather led to greater Shop use. With overall summer participation now over one hundred, it's no surprise that fully half of these bicycle enthusiasts came in for air, oil, bikes and parts. Our August Bellingham Bike Swap was another successful event with the brisk first two hours seeing half of the day's sales. Back to school now and Shop hours all shift to Wednesday, Thursday, and Friday evenings to accommodate. Weekends remain ride days and we hope to pick up new participants as friends reunite for the school-year and spread the word!

Put your old bike and parts to GOOD use!

The Bike Shop is always looking for bikes and parts. We reuse, recycle, and refurbish to put bikes in the hands of young riders and resell at our semi-annual Swaps to help meet operating expenses.
