Another out-of-this-world weekend ride takes the Shop to Rocket Donuts for cocoa!

December and still riding strong! Back on the road bikes for some better road conditions, our riders put on miles as they explored Bellingham streets, paths, and venues. A few of our participants had seen the rocket on Lakeway but none had ever been in the door. It's a Washington coastal winter but these kids are not spending dreary days indoors in front of glowing screens. With the encouragement of the Shop, they are being active developing minds and bodies as they explore their city.

December 2010

34 Participants 5 Girls 29 Boys

Small bikes 12 & 16" and tricycles

The Shop's greatest need for bikes right now is for the little ones. If you have small wheels cluttering your garage, why not donate those bikes to the Shop where we can get them back into eager hands?
