Living, rolling, wonderful history at the Railway Museum!

January Participation

5 Girls 11 Boys

Drizzly cold weather made our indoor winter destinations all the more inviting in the month of January. While Shop use hit a seasonal low, these are the participants who get the most out of the project. Teen participation always drops when the weather gets cold and Younger Riders prove their grit and enthusiasm -- and here in Bellingham the majority of these young riders have been girls. Educational and enjoyable, the Bellingham Railroad Museum makes for a great destination. We ride on old railroad beds and along side the freight trains as they rumble through town. The Museum does a great job explaining rail, its history, and its relevance today.. Check it out!

Great NW Bike & Recreational Gear Swap!

April 30th at the Bellingham Sportsplex

This year we are teaming up with Whatcom Events (Ski to Sea) to hold two swaps to benefit TBS. Bikes will be in the same field as last year with all other recreational gear in the larger field – all under the same roof! Find more info on our website.
