DANGER ORANGE: Visibility is key to riding safely!

July 2011

65 Participants 35 Boys 30 Girls

With twice the number of participants we saw in June and a third more than the same month last summer, July served up some decent cycling weather. The Shop has been busy with repairs and bike sales. The money participants pay into the Shop does not go into our operating budget but rather into the ride kitty that funds our weekend adventures. In this way, riders are paying their own way taking pleasure in knowing that the tickets we purchase, the picnics we take, and ice creams we enjoy are truly their own. Such tastes of self-sufficiency are savored in childhood.
