Bike Shop riders work out their minds at a café mid-ride.

November 31 Participants
11 Girls 20 Boys

November riding continued to be strong with large turn-out for our Saturday morning rides. Shop hours are pared back for the dark season but bikes continue to be serviced. A visit to the **Railroad Museum** took place early in the month where the history of the iron horses fills in a portion of Bellingham's story. Special thanks go out to: **Whatcom Rotary North** as they made a donation that enables us to purchase two more 24" road bikes and much needed helmets; and **Fairhaven Bike & Ski** whose fundraiser will also aid in the purchase of helmets.

TBS is always looking for used bikes, parts, and gear!
