“Younger Riders” amazed by sea-life at Bellingham’s Marine Life Center .

October 2010

47Participants 10Girls 37Boys

What a month! While the weather has decreased the demand for new bikes, ridership soared with 1142.5 miles for the month --easily more than doubling September's 477 miles. Those orange shirts get us noticed but people are also noticing that they say “Portland, ME” on them. New shirts are an out-of-budget expense that we would be glad to have some help with. Thanks this month go out to the Bellingham, Ferndale and WWU police for bicycle donations, to Shuksan Middle School teacher Tommy Lingbloom for raising over \$500 in ride pledges, and to Betty Kipp for painting our logo on the Shop! This is a great community to work with!

Put your old bike and parts to GOOD use!

The Bike Shop is always looking for bikes and parts. We reuse, recycle, and refurbish to put bikes in the hands of young riders and resell at our semi-annual Swaps to help meet operating expenses.
