Bike Shop Bikes add to the fall color on a Saturday ride.

October 2011

31 Participants 9 Girls 22 boys

Seasonable weather moved in and established itself in October but that didn't diminish strong ride participation for the month.

Ribbons of up to fifteen bikes made their way around the city on Younger Rides while teens were tempted by greater distances. The Shop itself remains busy serving mostly neighborhood kids in the cooler wetter fall weather. The season is seeing an increase in daily visits by Shop regulars for whom the Shop has become a healthy routine of life.

TBS is always looking for used bikes, parts, and gear!
