*Bike Shop Girls enjoy the fleeting summer sun on a ride to Fairhaven*

September 2011

35 Participants 9 Girls 26 Boys

Summer weather lent itself to a good portion of September allowing for some sunny dry rides – something we may not see for a while. But the bicycle is good place to enjoy the change of seasons and the rain brings with it plenty of giggling over stripes down the back and squishing shoes. Big THANKS go out to Fairhaven Bike and Ski this month for giving our Intermediate Riders the parts needed to make emergency repairs allowing them to continue and complete their Saturday Ride.

TBS is always looking for used bikes, parts, and gear!
